Based in London, UK

Profile

I am a second year student studying BA (Hons.) Fashion Womenswear at Central Saint Martins, London. I have a strong work ethic and problem solving ability, and have learned to cope with fast-paced situations and work effectively within them. With a strong interest in design, I am skilled in draping and flat pattern cutting. I have a keen interest in gaining experience in the industry and expanding upon the experiences I've already had.

Key Skills

- Adobe Photoshop and Illustrator
- Computer skills, Microsoft Office etc.
- Illustration and drawing
- Draping and pattern cutting
- Sewing skills
- Writing skills
- Time management and planning
- Organisation and teamwork
